

Dear Parents and children

I hope you are all keeping well, and you enjoyed the beautiful weather. I know it must be difficult to get your child to concentrate during this lovely weather but we are very close to the Summer holidays so try to keep the routine going for the last 2 weeks.

As the summer is here and we spend more time at the beach it is important that your child knows some basic water safety skills.

Visit www.teachpaws.ie and help your child learn these skills, which will keep them safe during the Summer months.

Here is this week's work. As always do not feel under pressure to complete all of it.

Please continue to send in any photos, drawings, art or writing to the website. Continue to encourage your child to read, and read as often as possible to them.

If you have any questions about the work set please contact me on drinaghtteachers@gmail.com.

Wishing you all the best and stay safe.

Kind regards

Nora Perkins
