

Dear Parents and children

I hope you are all keeping well. We have come to the end of the school year. This is our final week's work as we will be getting our holidays on Monday 22nd June.

It has been a strange and difficult last term for us all and I would like to say well done to everyone for keeping the routine going and supporting your child's education at home. We didn't think the school closure would last so long. Hopefully normality will return when we start the new school year.

The final week's work is mainly finishing books and doing some revision tasks. Try to do as much as you can in this final week of work.

Please continue to encourage your child to read, and read as often as possible to them during the Summer.

We would like to collect any Paired Reading books and class Reader "What a Box" please, so we can have them for the next class in September. It would be great if you could drop the book(s) to the school on Saturday 20th June between 10.30 and 12.30. A teacher will be there to collect them from you.

If you have any questions about the work set please contact me on drinaghteachers@gmail.com.

Wishing you all the best for the Summer holidays and most importantly stay safe.

Kind regards

Nora Perkins
