

Dear Parents and children

I hope you are all keeping well, and you enjoyed the beautiful weather . I know it must be difficult to get your child to concentrate during this lovely weather but we are very close to the Summer holidays so try to keep the routine going for the last 2 weeks.

As the summer is here and we spend more time at the beach it is important that your child knows some basic water safety skills.

Visit www.teachpaws.ie and help your child learn these skills, which will keep them safe during the Summer months.

Here is this week's work. As always do not feel under pressure to complete all of it.

Please continue to send in any photos, drawings, art or writing to the website.

Continue to encourage your child to read , and read as often as possible to them.

If you have any questions about the work set please contact me on drinaghtteachers@gmail.com.

Wishing you all the best and stay safe.

Kind regards

Nora Perkins

Senior Infants

For extra reading log onto www.oxfordowl.co.uk. You will need to register as a parent first.

When you have registered and logged in, go to Resources for parents.

Click on Browse the eBook Library. There are loads of ebooks for your child to read. Click on the icon Series and find a series you like e.g. Oxford Reading Tree and click on age(either 4-5 or 5-6, depends on the difficulty of the book). There are lots of lovely ebooks here for your child to read if you don't have access to suitable books at home.

**** Remember this is a list of suggested activities so only do as much as you can each day.**
