

Summer is Here!

The months of summer are May, June and July. The weather in summer is usually warm and sunny. We have more hours of daylight. The 21st of June is Midsummer's Day. In summer we wear clothes like shorts, T-shirts and flip flops. These clothes help to keep us cool when the weather is warm. Many people visit the beach in the summertime. It is important to stay safe in the sun by wearing a hat and sun cream. This protects our skin from the harmful rays of the sun. Flowers and trees are in full bloom during the summer.

Talk about the photographs.

Answer the questions.

- 1 Name the months of summer.

- 2 What is the weather usually like in summer?

- 3 What date is Midsummer's Day? _____
- 4 How can we stay safe in the sun in the summer months?

- 5 My favourite thing about summer is ...
