

## Dear Parent/guardian

Hi everyone

I hope you are all well and enjoying the fine weather!

There will be no update on schools re-opening until May 5<sup>th</sup>, I expect that schools will stay closed for a while after this date.

Guidelines - your child should spend between one & two hours each day (Mon – Fri) at their school work.

There is no substitution for reading, so please encourage your child to read a variety of text.

If you need to contact me for anything please email [drinaghseiors@hotmail.com](mailto:drinaghseiors@hotmail.com)

**You are and always will be your child's primary educator.** If you decide that the work being sent home by the teacher is unnecessary, then don't do it. Children learn in many different ways and not just through "book learning". Some families will be able to do the schoolwork - others will be under pressure to get it done. Please don't be under any pressure to get the school work prescribed completed.
