

Dear Parent/guardian

I hope you all are well and enjoying the fine weather?

I have attached two letters for the attention of sixth class parents, one from the Principal of MICC and the other from Roger Earl of the School Completion Programme

I hope you all have a very enjoyable June bank holiday weekend. Again if you have any questions at all about the work or anything else, please don't hesitate to contact me via my email address drinaghseiors@hotmail.com. The plan below is for the week ahead.

Again there is absolutely no pressure to get this work completed.

Guidelines - your child should spend between one & two hours each day (Mon – Fri) at their school work.

There is no substitution for reading, so please encourage your child to read a variety of text.

You are and always will be your child's primary educator. If you decide that the work being sent home by the teacher is unnecessary, then don't do it. Children learn in many different ways and not just through "book learning". Some families will be able to do the schoolwork - others will be under pressure to get it done. Please don't be under any pressure to get the school work prescribed completed.
